Term 2

GCSE CHEMISTRY	WB	Theme
	6th January	C1. Atomic Structure
	13th January	
	20th January	
	27th January	
	3rd February	
	10th February	 ...ic T... ...odic Tab... Cont.
	17th February	
	24th February	
	3rd March (R)	
	10th March (R)	
	17th March (R)	C3. Covalent, Metallic and Ionic Bonding <u>ONLY</u>

*The dates given are not fixed and may be subject to change throughout the course of the academic year.

GCSE PHYSICS	WB	Theme
	7th April	P1. Conservation and Dissipation of Energy
	14th April	
	21st April	
	28th April	
	5th May	P.2 Energy Transfer by
	12th May	
	19th May	EOY EXAMS
	26th May	EOY EXAMS
	2nd June	EOY EXAMS
	9th June	P3. Energy Resources

*The dates given are not fixed and may be subject to change throughout the course of the academic year.

	16th June	
	23rd June	

*The dates given are not fixed and may be subject to change throughout the course of the academic year.
