AN AL FUTTAIM EDUCATION FOUNDATION (AFEF) SCHOOL

AFEF is an initiative started by the Al Futtaim family to support the UAE Government's vision for the creation of a globally competitive knowledge economy while maximizing their social contribution to the community through this not-for-profit endeavor.

The vision of AFEF is to create excellence; to prepare our students for university and to give them the skills to successfully embrace global citizenship and future opportunities in the UAE and beyond.

 **Al-Futtaim**
Education Foundation

OUR VISION

"To create an outstanding, multicultural learning community which empowers students to achieve their potential, become life-long learners and responsible global citizens."

OUR SCHOOL

Deira International School (DIS) was founded in September 2005, as a co-educational day school offering instruction from Foundation Stage to Year 13 with a current enrollment of over 2000 students. The student body comprises of more than 80 nationalities which enables the school to embody a truly international feel, whilst providing a British-based curriculum.

The 80,000 space sq. m. facility is located in Dubai Festival City, a suburb of Dubai, United Arab Emirates. It is a purpose-built facility and amongst the largest in the Middle East.

Deira International School is owned and operated as a non-profit school by the Al-Futtaim, one of the largest and most respected corporations in the lower gulf region.

Deira International School is authorised by the International Baccalaureate Organization as an IB World School.

The local inspectorate, the KHDA, have rated our school as 'Outstanding' in 2024. This rating places DIS as one of the top secondary institutions within the Emirate of Dubai, with only fifteen schools receiving this distinction at the time of publication

THE SCHOOL YEAR

The school year comprises of three terms running from September to December, January to March and April to June.

EXTRACURRICULAR ACTIVITIES (ECAs)

There is an extensive after-school programme at DIS offering courses ranging from Ballet to the Duke of Edinburgh Award and Model United Nations. Student development is not limited to the classroom as students are encouraged to participate in the many extracurricular activities offered by the school. Field Trips are organised by our specialist Outdoor Education Teacher. Extracurricular sports include boys' and girls' football, basketball, rugby, tennis and swimming. A vocal and instrumental programme offers a broad range of musical study. Chorus, dance, performing arts programmes are also offered along with other academic and non-academic programmes.

DIS has an active Parents' Association, Student Representative Council and School Board of Trustees.

GRADUATION REQUIREMENTS

Students are required to complete a two year pre-university programme of study in Years 12 and 13 (USA equivalent of Grades 11 and 12).

We offer three International qualification curricula: The International Baccalaureate Diploma Programme (IBDP), IB Courses, and the IB Career Related Programme (IBCP). Students must fulfill the requirements of the International Baccalaureate Organisation to graduate. IBCP students are also required to undertake work experience with local organisations.

Examinations are marked externally and are taken in May of Year 13. Students graduate in the month of June and receive their final results in July.

GRADING SYSTEM

National Curriculum Levels

The English National Curriculum levels are used throughout the school from Key Stage 1 to 3. Detailed explanations of these are available on the QCDA website <http://curriculum.qcda.gov.uk/>

International General Certificate of Secondary Education

IGCSE grades are marked using an eight-point grade scale: A*, A, B, C, D, E, F and G. Grade A* is awarded for the highest level of achievement, and grade G indicates minimum satisfactory performance. A U denotes 'Ungraded'. Students must obtain a minimum of 6 A* - C grades at IGCSE to qualify for a place on the IB Diploma Programme and a minimum of 3 C grades to qualify for the IBCP. Further information can be found for subject specific boundaries on the CIE website www.cie.org

International Baccalaureate

IB grade descriptors range from 1 - 7, with 7 as the highest grade. Further information on these can be found on the IBO website, www.ibo.org, along with additional information regarding the IB Career-Related Programme.

Class Rank & Grade Point Averages

Please note we do not class rank our students or use GPA's.
